CYNGOR CYMUNED LLANDDANIEL FAB

Cyfarfod y Cyngor: Dydd Llun, 17 Gorffennaf 2023, yr Efail

1. Croeso ac Ymddiheuriadau
Presennol: Margaret Clarke (Cadair), Dawn Doran-Jones, Robert Sargent, Guto Williams, Cyngh. Dafydd Roberts
Ymddiheuriadau: Joanna Robertson

2. Materion yn Codi
Derbyn y cofnodion gan Dawn, eilio gan Rob.

Golau stryd wedi ei osod. Wedi gorfod gosod polyn newydd.

Llwybr Tyddyn Eurach. Arwel wedi cael golwg ar y llwybr ac wedi nodi ei bod hi'n gul, ond bod y ffens yn agos at ddiwedd ei hoes felly am holi'r tirfeddiannwr a fyddai modd lledu'r llwybr wrth roi ffens newydd.

3. Datgan Diddordeb

4. Cynllunio
FPL/2023/155 Pont Ronwy. Cryn wrthwynebiad oherwydd bod gymaint o dai haf a thai gwyliau o gwmpas. Dim cyfle i ddynion ifanc fyddai'n dymuno ffermio. Rheswm dilys i wrthwynebu? Elfen o'r Cynllun Datblygu Lleol – amddifadu tyddyn. Gor-ddatblygu. Hen adeiladau yn ddrytach i'w cynnal felly pobl ifanc yn gyndyn o'u prynu – adeiladu tai fforddiadwy i lenwi'r bwlch. Rhestrau aros am dai.
LBC/2023/17 Capel Cana. Caniatâd adeilad rhestredig – rhoi simne i mewn ac am fod yn fwy addas. Dim gwrthwynebiad.

5. Materion Ariannol
Yr Archwiliad Allanol wedi ei anfon i mewn i'r Swyddfa Archwilio am yr ail dro ac wedi ei dderbyn y tro hwn.

<u>Gwariant</u>

Misol: Costau banc	5.40
Misol: Cyflog y Clerc	483.60
Costau postio	2.60
Archwiliad Cyfrifon Llynedd	292.00
Cyfieithu mis diwethaf	86.25
Yswiriant (hwyr)	1316.72

Caniatâd i dalu trwy BACS.

6. Llythyrau i'w trafod
Ebost oddi wrth Ysgol Parc y Bont, holi am gyfraniad at ŵyl yr ysgol. Hon wedi bod, wedi derbyn yr ebost rhwng cyfarfodydd. Byddai'n braf rhoi cyfraniad – llawer o bobol hŷn y gymuned wrth eu boddau yn cael mynd. Cytuno ar £100.

7. Asesiad Risg
Diolch i Rob am wneud asesiad risg ardderchog. Oedd angen cynnwys risgiau ariannol? Pethau ar wahân ar gyfer y rhain. DERBYN yr asesiad risg. Rhai pethau i'w hychwanegu.

Angen sedd newydd ar fainc y cae chwarae, a'r ffens newydd, darn wedi torri (wedi i blant chwarae). Huw yn y Cae chwarae beth bynnag. Coed y Fynwent angen eu torri yn ôl. Bydd hyn yn rhywbeth i'w wneud erbyn y flwyddyn nesaf. Ystyried hyn a gweld beth yw'r sefyllfa. Ffens y gofeb – wedi rhydu. Wal angen ei hail bwyntio. Dafydd am gysylltu: elusen yn gwneud y gwaith yma o bosib.

8. Biniau Baw Ci

Wedi symud y dosbarthwr i leoliad newydd. Wedi holi ynghylch cael mwy o finiau, ac wedi cael gwybod nad oes rhai ar gael. Map yn dangos lleoliadau'r biniau ond ddim yn eglur iawn. Dim llawer o finiau yn y pentref ond dim rhai i'w cael chwaith a byddai rhaid gwneud trefniant efo contractwyr preifat.
Bagiau ar gyfer y dosbarthwyr. Liz wedi cysylltu. Guto am lenwi.

9. Diweddariad Cae Chwarae

Wedi derbyn pris Huw, a'r gwaith yn dechrau wythnos nesaf. Wedi cysylltu â'r Cyngor i drafod y gost – ac wedi cysylltu eilwaith i holi ynghylch hyn hefyd.
Plant yn dal i chwarae yn y coed. Arwydd i ddweud ei fod o'n beryglus? Plant wedi bod yn mynd yna am ddegawdau – oes damwain ddifrifol wedi digwydd? Aros i Huw wneud y gwaith a gweld sut mae pethau.

10. Diweddariad Capel Cana

Wedi penodi cyfreithiwr, R. Gordon Roberts Laurie & Co. Aros i glywed.

11. Adroddiad o unrhyw gyfarfodydd

Llywodraethwyr. Bob dim i'w weld yn iawn yn yr ysgol, pethau'n rhedeg yn dda. Niferoedd plant wedi mynd yn ôl i fel oedd pethau, yn dilyn cyfnod o ddiffyg. Gobeithio cael asesiad o'r ysgol rhag ofn bod angen estyniad.

12. Adroddiad gan y Cynghorwyr Sirol

Dafydd yn delio efo Addysg, Ysgolion a'r Gymraeg. Pwyllgor Gwaith yn cyfarfod yfory, adroddiad ar y pontydd: cytundeb i godi trydedd pont, ond hyn wedi ei newid, ond Ynys Môn yw'r unig ran o Gymru lle mae rhaid croesi'r môr i gyrraedd. Y bont newydd yn hynafol. Angen ryw ddatrysiad. Dim ysbyty ar yr Ynys, angen medru croesi. Llawer o ddadleuon o blaid, ond y Llywodraeth yn erbyn, y gost yn ffactor.

CYNGOR CYMUNED LLANDDANIEL FAB

Council Meeting: Monday, 17 July 2023, yr Efail

1. Welcome and Apologies

Present: Margaret Clarke (Chair), Dawn Doran-Jones, Robert Sargent, Guto Williams, Cyngh. Dafydd Roberts
Apologies: Joanna Robertson

2. Matters Arising

Minutes accepted by Dawn, seconded by Rob.

The street lamp has been installed. A new pole had to be put up.

Tyddyn Eurach path. Arwel has had a look at the footpath and has noted that it is narrow, but that the fence is near the end of its life so will ask the landowner whether the footpath could be widened while putting in a new fence.

3. Declarations of Interest

4. Planning

FPL/2023/155 Pont Ronwy. Considerable objection because there are so many holiday homes and lets around in this area. No opportunity for young men who would like to farm. A valid reason to object? An element of the Local Development Plan – losing a smallholding. Over-development. Old buildings are more expensive to maintain so young people are less keen to buy them – affordable housing is being built to fill the gap. Waiting lists for houses.
LBC/2023/17 Capel Cana. Listed building consent – putting in a flue, and it will be more appropriate. No objection.

5. Financial Matters

The External Audit has been sent in to the Audit Office for the second time and has been received this time.

<u>Expenditure</u>

Monthly: Bank costs	5.40
Monthly: Clerk's Wage	483.60
Postage costs	2.60
External Audit last year	292.00
Translation last month	86.25
Insurance (overdue)	1316.72

Permission to pay by BACS.

6. Letters to Discuss

An email from Ysgol Parc y Bont, asking for a contribution towards the school festival. This has been, email came in between meetings. It would be good to give a donation – several of the older people in the community love going. Agree on £100.

7. Risk Assessment

Thanks to Rob for doing the excellent risk assessment. Did we need to include financial risks? Different documents for these. Risk assessment ACCEPTED. Some tings to add. Need a new seat for the bench in the playground, and the new fence, a piece has broken (with children climbing). Huw is in the playground anyway. The trees in the Cemetery need cutting back. This is something to do in the next year. Consider this and see what the situation is. The fence around the war memorial - corroded. The wall needs re-pointing. Dafydd to contact: there may be a charity which does this work.

8. Dog poo bins

The bag dispenser has been moved to a new area. Asked about getting more bins, and told that there are none available. A map shoing the locations of existing bins received, but not very clear. Not many bins in the village but none can be had either and we would need to make an arrangement with a private contractor for them.
Bags for the dispensers. Liz has been in touch. Guto to refill them.

9. Playground Update

Huw's price accepted, and the work starts next week. Contacted the Council to discuss the cost, and chased them about this too.
Children still playing in the trees. Should there be a sign to say that it's dangerous? Children have been going there for decades – has there been a serious accident? Wait for Huw to do the work then see how things are.

10. Capel Cana Update

A solicitor has been appointed, from R. Gordon Roberts Laurie & Co. Waiting to hear.

11. Report of any meetings

Governors. Everything seems to be fine in the school, things running well. Numbers have gone back to how they were, following a period of lower numbers. Hoping to have an assessment of the school in case an extension is needed.

12. County Councillor's Report

Dafydd dealing with Education, Schools, and Welsh Langauge. The Executive Committee meets tomorrow, and a report on the bridges: there was an agreement to build a third bridge but this was changed, but Anglesey is the only part of Wales where you need to cross the sea to get here. Even the new bridge is very old. Need a solution. No hospital on the island, need to be able to cross. Many arguments in favour, but the Government is against it, anda the cost is a factor.

Signed : M. L. Clarke . Dated : 18.09.23 .
